

21st Annual Willem C Vis International Commercial Arbitration Moot

Formal applications for students interested in the Willem C Vis International Commercial Arbitration Moot for 2013/14 held in Hong Kong and Vienna next March and April are now invited.

Participation can count for your degree as a 6 point subject. The subject is an intensive and practical introduction to problem based learning and legal analysis in a small group environment. It develops strategic thinking and provides experience in a simulated international commercial arbitration. It is not just for those interested in commercial law. Law firms recognize and highly value the skills provided by the Vis moot.

Past students frequently comment that it was the “best thing I did in law school”. Only a small number of participants will be selected. Please note that you may apply for both Jessup moot and Vis moots, but please indicate this when applying.

If you are interested, please consult the email sent last week to all students, and visit the following page for more information and the application form, which is due by **28 August 2013**: <http://www.law.monash.edu.au/current-students/resources/forms/vis-moot-application-form-2013.docx>

Interviews will take place with those whose applications are short-listed. If you have any queries, please email me – Lisa Spagnolo - <lisa.spagnolo@monash.edu>
