

Stepping Into Internship Position Description

The Australian Network on Disability's Stepping Into program is a paid internship scheme that matches talented university students with disability with roles in leading Australian businesses.

Organisation Name:

National Australia Bank - NAB

Organisation summary:

NAB has been serving the Australian & New Zealand communities for more than 170 years. Australian banking, including personal banking and business banking, offers a range of banking products and services to retail and business customers, ranging from small and medium enterprises through to Australia's largest institutions.

Position Title:

NAB Summer Intern

Location:

Risk Intern – 1 intern in Melbourne

Mode of Work:

Hybrid but mostly onsite

Position Duration:

8 weeks full time. Start date – 28th November 2022. End date – 3rd Feb 2023.
2 week break between 23rd December 2022 – 6th Jan 2023.

Position Overview:

Risk Intern:

Risk management is vital at NAB to protect our customers and enable sustainable performance for the NAB group. Maintaining a strong risk governance and framework originates at board level and flows down through the organisation. We are responsible for setting NAB's risk appetite, providing a foundation for effective risk management and promoting an effective risk culture across NAB.

We're looking for analytical students who like to collect and analyse data to enable the right customer outcomes. Big picture thinkers who can break it down to find actionable solutions and opportunities. Students who are strong communicators, see the value in building relationships and have a passion for making the complex simple.

Tasks may include:

- Learn about the various risk types and functions within our industry and across the NAB Group
- Analyse risks, compliance obligations, controls, events and change initiatives to identify weaknesses/deficiencies
- Develop risk data analytic capabilities to deliver risk reporting, stress testing and financial/scenario modelling
- Partner across the organisation to provide specialist support and advice
- Develop an understanding of the Risk Ways of Working
- Help shape policies to ensure sound risk management
- Assist in the development and delivery of effective risk frameworks
- Promote an effective risk culture across the NAB Group

At the end of the program, the interns will have the opportunity to apply and potentially receive an early offer for our 2024 Graduate Program.

Ideal Degree/Discipline:

Accounting, Computer Science, Data Analytics, Finance, Mathematics, Statistics, Commerce, Actuarial Science, Engineering, Law, Science

Eligibility Requirements:

- Identify as having disability
- Education:
- Citizenship requirements:
- Security checks: NAB will complete a background check for the successful candidates

All Stepping Into internships are paid placements. The agreement is between the organisation and the intern. The employing organisation will pay the intern's pro rata salary for the internship period (including superannuation) at a rate commensurate with the duties performed and abiding by Fair Work standards.
